

# PARKING GARAGE UPDATES

**Through December 2025**

The City of Milwaukee will be doing construction on E. Michigan Street from September through December, which will affect entering and exiting the Museum Center Park garage.

**Please note the following changes:**

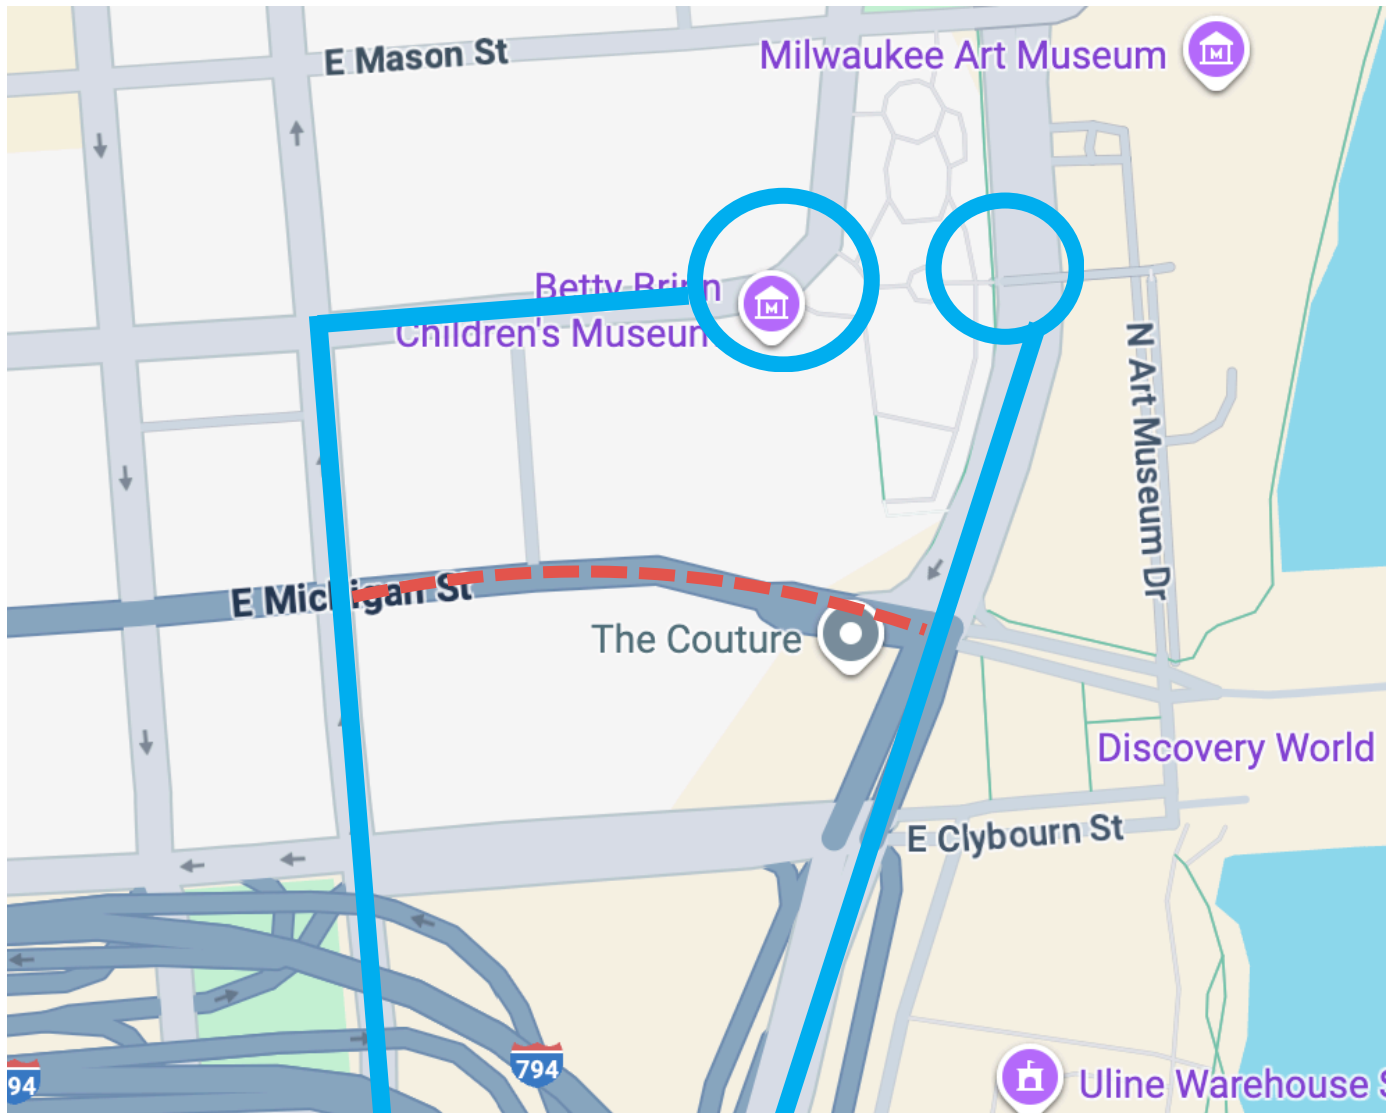

The Michigan Street entrance and exit for the Museum Center Park garage will be **CLOSED** during the duration of the construction. Guests visiting the Museum will need to enter the Museum Center Park garage on Lincoln Memorial Drive, directly across from the Milwaukee Art Museum (730 N. Lincoln Memorial Drive).

The only way to **exit** the Museum Center Park garage will be onto Lincoln Memorial Drive.

We do have a limited number of reserved Betty Brinn Children's Museum parking spaces on level 1 of the garage near the West Elevators. Look for signs that say "Betty Brinn Children's Museum and Coast Restaurant Patron Parking Only".

# WHERE TO ENTER

On Google Maps, you will be directed to enter the parking garage from Michigan Street. Please enter through Wisconsin Ave or Lincoln Memorial Drive.

## From I-794:

Continue straight on N Lincoln Memorial Drive and turn left at N Art Museum Drive.

From N Van Buren Street, continue straight and turn right on E Wisconsin Ave.
